Estate Garden and Secrete Garden

As we look to continue to build on the good work carried out by our Community Gardeners in 2017/2018, Stephen and Bill from Urban Canopy will be running sessions in the garden along with volunteers from August 2018 right the way into June 2019.

The plan for 2018/2019 are as follows:

- Raised beds on Mary Datchelor Close
- Estate entrance on Kimpton Road –develop a new, welcoming planting scheme to improve the entrance to the estate opposite the Secret Garden gate
- Entrance on Vicarage Grove –develop a floral planting scheme for the grass verge at this entrance to the estate
- Outside the Community Room –continue adding improvements to the raised areas immediately outside the Community Room to be enjoyed by residents participating in activities there
- Develop an wildflower area in Belham Walk

The gardening workshop are to be held every Tuesday from 21st august 2018. The daily schedule is:

- 9:30am - 1:30pm – Working on the estate to maintain existing pocket gardens and develop new ones. On some occasions, we will advertise public gardening workshops to assist with development of new gardens.
- 2:00pm - 4:00pm – Adult gardening time – weekly list of tasks will be displayed and assigned to participants to help to maintain the secret garden. 4:00pm - 5:00pm – After school nature club for children in the Secret Garden.
- 5:00pm - 5:30pm – Secret Garden clean up.

Please join us to help with planting, weeding, harvesting or to simply sit and enjoy the garden. If you don't know anything about gardening please don't worry because we are all learning!

Children/young people are welcome but please note that younger children must be accompanied.

Chairs Foreword

2017-2018 has been an incredibly busy year for the TMO; a year where we have achieved a lot. One of the main achievements has been the development of the new TMO Community Room which was fully funded by the People's Health Lottery. The opening ceremony of the community room was held on the 15th July 2017 and it was a hugely successful event. The ceremony was attended by lots of residents within the estate and our local councillors. Since the opening ceremony, the TMO have organised over 200 community activities from the community room. The activities have ranged from Coffee Mornings, IT Lessons, YOGA, Zumba, Death Café, Board Games, Nature Club, After School Club and more. The activities have all been free and inclusive of all gender, race, disabilities, ethnicity, religion etc. The community room has developed into becoming the heart of the Estate.

From a governance point of view, the board have been incredibly active with updating or development of new policies and procedures, applying for further grants/funding, training and planning for improvements projects within the estate through the surplus it accumulated the previous year. We have also ensured that the operational team have had the support, guidance and monitoring to be able to be successful. The board continues to meet every month and the 6 sub-committees (HR, Finance, Gardening, Social, Security, Repairs and Maintenance) meet regularly to ensure that the TMO is fulfilling its obligations in regards to the Modular Management Agreement with Southwark Council but also to ensure it is fully committed to the ethos of community development.

The AGM in September 2017 saw two new members join the board and I delighted to welcome both Mark Vowles and Caxton Kasozi-Batendeto. Sadly, we lost Tom Leighton and Patrick Luppi who both stepped down from the board for personal reasons. We would like to thank them for all their positive contribution and hard work throughout the years.

Lastly, I believe that the TMO has through the hard work of the operational team and the board/sub-committee members made huge strides in 2017/2018. We look to build on this foundation and will continue to improve.

Yours sincerely, Shaun Gillen

Financial Report and Budget

Financial Year 2017-2018 (Previous Year)

The TMO carried out a lot of outstanding repairs in 2017/2018 such as estate lighting, paving, gutter clearance and also had a lot of VOID (empty properties) properties to deal with. All this impacted on the expenditure level but despite this the TMO were still able to meet the budget and accumulated an surplus of £8,553.00.

Financial Year 2018-2019 (This Year)

In 2018/2019, the TMO received a drastic reduction in allowance from the council by over £40k from the previous financial year. The board worked tirelessly on the budget for several months to ensure that it was accurate and balanced as possible. The board recognised that there will be a greater focus on application towards funding, grants and also focus on using existing resources to deal with the reduction of allowance and despite the reduction the TMO hopes to accumulate a small surplus in 2018/2019.

Surplus funds | Improvement Projects

Whilst every effort is made to ensure that we are on budget and even retain a certain surplus by the end of the year, it is worth noting that expenditure sometimes is unpredictable. There may be an increase of repairs and maintenance or voids, which the TMO were not able to anticipate. Surplus is only determined once the account has been audited and has been ratified at the AGM.

The surplus gained from 2017/2018 is £8,553.00 which will be allocated towards planned improvement projects as determined by the board.

DIY WORKSHOP | EVERY MONTH | FRIDAY | 10AM-12NOON | FREE

Starting, FRIDAY, 27th July 2018 (10am to 12noon), there will be free workshops every month where you will be able to learn how to carry out basic home improvements such as painting, tiling, grouting or even develop some wood working or plumbing skills. Limited spaces are available so to book yourself a free place, please contact Mr. Chay Pulger on 020 7525 0633 or visit the TMO office

GARDENING WORKSHOP | WEEKLY | TUESDAY | 2AM-5PM | FREE

A two-hour open gardening session for residents would be held weekly (2pm – 4pm), as well as an after-school club for children from 4pm to 5pm (see page 26).

BOARD GAMES | MONTHLY | SATURDAY | 2AM-4PM | FREE

Fancy a game of dominoes, scrabble or snakes and ladders? Come along to our new monthly board games session! It will be held on the third Saturday of the month. Please note: children under 11 must be accompanied by an adult. For any queries, please contact Peter, tel: 07932 050 018 (evenings and weekends).

FOR FURTHER INFORMATION Our newly developed website and notice boards advertises the activities that is happening in the community room.

For more info, contact our office for an informal chat on 020 7525 0745 and ask for Chay Pulger our Estate Manager.

About us....

The TMO was set up as a not-for-profit Community Interest Company (CIC). All tenants, leaseholders and private tenants aged 16 and over are entitled to become members. This enables all members to participate in the decision-making processes of the TMO.

The Management Board is made up of volunteer residents of the Estate, and is responsible for employing staff and contractors and running the Estate on your behalf. The Board meet once a month and has various sub-Board s to carry out its work. One-third of the Board members stand down at the Annual General Meeting to encourage new members to stand for election. If you are interested in joining or learning more about the Board, contact the Estate Office.

Achievements and Goals | 2017-2018 and 2018-2019

WHAT WE HAVE ACHIEVED SINCE THE 2017 AGM

- **Organised Activities In Our New Community Room** : Did you know we have organised over 200 community events on our estate in the last 12 months! What is even better has been that all the events have been **FREE** (see page 24/25).
- **Explore The Possibilities Of New Bike Shelters In Our Estate** : We have secured funding for our FIRST estate bike shelter to be installed. If this is successful then we will look to install more in the future.
- **Re-Develop Our Website** : Complete overhaul was carried out on the website in 2017 to make it more informative and easy to navigate. Check it out and let us know what you think: www.deynsford.org
- **Develop New Community Room** : This was completed back in 2017 on schedule and has been hugely utilised. We are also hiring it out for private use (see page 24).
- **New Community Gardeners** : Through the funding of grants, we were able to take on new community gardeners (Urban Canopy). Stephan and Bill have been a absolutely hit on the estate and have carried out lots of activities from tree planting, pizza making, after school clubs to pumpkin growing. For 2018/2019, we have secured further grant funding and we plan for bigger planting, gardening activities coming to you soon! Get involved – see page 25/26).
- **New Notice Boards** : We have installed over 30 resident notice pin boards made by our residents as part of an community activity. It has been designed with a focus on residents being able to advertise on it.
- **Resident Handbook** : In 2017, saw our very first resident handbook. We aim to continue this every year.
- **More Focus On Safety & Security** : Over the last 12 months, we have been working hard to increase the safety and security of our residents. As part of our focus, we have carried out 4 estate weapon sweep with the police, carried out 4 safer neighbourhood meeting which all resident are welcome to participate in, closed and secured several bin rooms, installed over 9 new lightings and organised for the repair of over 19 light fittings which had been in disrepair for over 5 years!

WHAT WE HOPE TO ACHIEVE BY 2019 AGM

- Update Our Business Plan
- NFTMO Kite Mark Award For Good Governance
- New Estate Maps / New Estate Signs /Block Name Signs
- New planting schemes in our estate (see page 25/26)

Our Community

COMMUNITY ROOM

By the community, for the community

Since the development in 2017, the community room has been used to enhance people's lives though improving their social, physical and life aspirations. Some of the activities we have enrolled in the community rooms were computer lessons, fitness sessions, bingos, quizzes, book clubs, kids activities room, residents meetings, youth projects, death café, and a host of other beneficial projects to the local community.

We believe that the community room has tackled issues of social exclusion within the local area and develop community cohesion. Like London, D'Eynsford Estate has a makeup of vibrant, multicultural residents of differing age groups, ethnicity, and backgrounds which has always on previous occasions shown a good community spirit.

This community room has had a huge positive impact on hundreds of lives in the local area as well as address issue of people suffering from isolation and depression. We have a vision of making D'Eynsford Estate, Camberwell and London an even greater place to live in then it already is.

However, we were aware further works is required to bring the community together and therefore see the Community work the TMO does being instrumental to achieving this.

Electricity

What should I do if my electricity goes off?

1. Check your main fuse box to see whether the trip switch has turned your supply off. Modern fuse boxes have a tripping mechanism; instead of “blowing” a fuse they automatically switch off.
2. If you do not have a blown fuse, check to see whether other properties are also affected. If they are, call the electricity board at 0845 600 0102 (emergencies or loss of supply).
3. If you cannot find the cause of the problem, call the Estate Office.

Water

Know where your mains stopcock is for turning water off in an emergency. It is usually in the bathroom or the kitchen. This should be the first thing you do in the event of water flooding. Contact the Estate Office if you are unsure where this is.

Condensation

What is condensation and how can I prevent it?

Condensation is caused by too much moisture and not enough ventilation. Here are a few simple steps that you can take to reduce condensation:

1. Leave the windows open when you are cooking or taking a bath.
2. Do not block air vents or extractor fans.
3. Make sure tumble dryers are properly installed and have ventilation.
4. Keep a constant temperature in all rooms during winter.
5. Avoid drying your clothes on radiators without proper ventilation.
6. Consider investing in a dehumidifier.

About Us

This handbook is for all residents of the D'Eynsford Estate and is intended to give you information about the services provided on the Estate. If you have any questions, please do not hesitate to contact the D'Eynsford Tenant Management Organisation Estate Office on **020 7525 0745**.

About D'Eynsford Estate

D'Eynsford is a Southwark Council housing estate built in the 1970s with a mix of flats and houses, including some sheltered accommodation. There are 360 homes: 214 are occupied by Council tenants and 146 are leasehold. The estate is situated in the heart of Camberwell, SE London, just off Camberwell Church Street in the Brunswick Park ward of Southwark. We are about two miles from the Thames.

The buildings are all three storey brick and include a range of homes, from one bed flats to four bed maisonettes. Addresses include: Mary Datchelor Close, Don Phelan Close, Belham Walk, Kimpton Court (next to the estate), a block on Kimpton Road, and another on Elmington Road.

About D'Eynsford Tenant Management Organisation Ltd

D'Eynsford Tenant Management Organisation (TMO) was set up in September 2015 to enable residents on the D'Eynsford Estate in Camberwell, SE5 London to take control of estate services such as the cleaning, repairs and rent collection.

The TMO is led by a volunteer board of residents who have been working on this project since 2010, when it was kicked off by the Tenants and Residents Association (TRA).

We have a clear shared vision of how we want our estate to be and we are committed to making it a reality. Along with excellent services and strong community spirit, environmental responsibility is equally important to us and these three elements will guide our decision-making.

Confidentiality

D'Eynsford Tenant Management Organisation has a strict Code of Confidentiality and all personal information about residents is treated as confidential. A copy of the policy can be obtained from the Estate Office.

Equal opportunities policy

D'Eynsford TMO wholeheartedly supports the principle of equal opportunities in all aspects of its operation, service delivery and employment, and opposes all forms of unlawful or unfair discrimination on the grounds of colour, race, nationality, ethnic or national origin, religious belief, age, gender, sexual orientation, marital status or disability.

The TMO believes that it is in the best interests of the organisation that all individuals are treated fairly and equally and that no individual, be they employees, potential employees, members or residents, suffers direct or indirect discrimination.

Membership

All estate residents (and non-resident leaseholders) 16 and over can become a member of the TMO. It's free to join and means you can vote on issues and, if you want, stand for election to the Board at the annual general meeting each September.

As a member you may vote at all General Meetings and stand for election to the Management Board. Members influence what happens on the Estate and what our priorities should be for the future. The more residents who are members, the more representative the TMO is of our community. If you would like to join then please contact the Estate Office.

The Management Board

The Management Board is made up of volunteer residents of the Estate, and is responsible for employing staff and contractors and running the Estate on your behalf. The Board meet once a month and has various sub-Boards to carry out its work. One-third of the Board members stand down at the Annual General Meeting to encourage new members to stand for election. If you are interested in joining or learning more about the Board, contact the Estate Office.

Safety And Emergencies

What can I do to protect my home against fire

As a Tenant Management Organisation, we are always doing all that we can to keep our residents safe from the devastating consequences of a major fire, but you can also help by following this advice:

- Test your smoke alarm every week and change the battery as required.
- make a fire action plan so everyone in your house knows how to escape
- be careful when cooking with hot oil (consider using thermostatically controlled deep fat fryers)
- never park motorbikes in covered communal areas or inside your home
- never block, tie or wedge open fire doors
- don't leave lit candles unattended
- make sure cigarettes have been stubbed out carefully
- never smoke in bed
- No barbeques allowed on the balconies, garden or the estate ground
- keep matches and lighters away from children
- keep clothing away from heating appliances
- take special care when you're tired or under the influence of alcohol (half of all deaths from domestic fires happen between 10pm and 8am)
- keep fire exits and escape routes clear (doors leading from your home, a balcony walkway or any shared landing, hallway or staircase)
- don't leave white goods items in communal areas (including freezers, washing machines, fridges, tumble dryers)
- don't overload electrical sockets

Gas

Make sure you know where your gas meter and the main gas supply tap is. If in doubt, ask at the Estate Office. If you think you may have a gas leak or can smell gas, you should follow these simple steps:

1. Open the doors and windows for ventilation.
2. Ensure that all gas appliances are switched off.
3. If you can still smell gas, turn the gas supply off at the meter and phone the gas emergency service: **TRANSCO ON 0800 111 999**.
4. Gently close the door and telephone the gas company.
5. Do not smoke or use matches or naked flames.
6. Do not turn any electrical switches on or off.

Emergency out of hours repairs (outside of 9am to 5pm / Mon to Fri)

If you have an emergency repair such as a major pipe burst or a repair that presents a danger to persons, you can contact the Southwark Housing Patrol service on 020 7525 5000. The Housing Patrol will arrange for a contractor to “make safe” the problem until the D'Eynsford Estate Office is open, when the repair will be carried out during normal working hours.

Please note this service is for emergencies ONLY. The Estate will be charged by Southwark Council for this service. If you repeatedly call Housing Patrol for non-emergency repairs, you will be charged for using this service.

What is not an emergency?

A blocked sink, a toilet that will not flush or a leak from taps. Please do not call the emergency number for repairs of this sort. These are not emergencies, and will be attended to the next working day by D'Eynsford staff.

Know who is entering your home

Please note all D'Eynsford staff carry photo identification; please be careful whom you let into your property. Occasionally we are required to use outside contractors. If you are unsure that someone is genuine, please ask to see their ID or phone the Estate Office. If you are unsure about the person who is asking to enter your property then do not let them in and contact the police.

Pest Control

If you find any cockroaches, mice or rats, or wasp nests in or near your home, please report it immediately to Southwark Council on 020 7525 5000. It is very important that pests are eliminated. Please ensure that when an appointment is made, the contractor is allowed access.

OUR VISION

Our vision is for D'Eynsford Estate to be an even better place to live, with excellent services and lovely surroundings, where everyone is neighbourly, has the opportunity for self-development, takes pride in their community and can live well at home without damaging the environment.

We will:

- ✓ Check all common areas on the Estate each day, identifying priorities and ordering works as necessary.
- ✓ Remove rubbish and clean graffiti from the Estate as soon as it is reported.
- ✓ Keep all entrances, corridors, stairways clean and tidy, responding to need rather than sticking entirely to schedules.
- ✓ Maintain the landings, walkways and the grassed areas of the Estate to a high standard.
- ✓ Provide an efficient and accessible rent collection service, giving residents appropriate welfare advice.
- ✓ Provide an excellent repair service, aiming to complete repairs to a high standard well within the timescales laid down by Southwark Borough Council.
- ✓ Deliver an excellent service to all Estate residents according to their needs.
- ✓ Encourage active participation by residents and help to foster a community on the Estate.
- ✓ Ensure that all residents can attend meetings and have access to information about the activities of the TMO.

Your New Home

COUNCIL TENANTS

Moving into your new home

The D'Eynsford Tenant Management Organisation Estate Manager meets with all new tenants to tell them about the D'Eynsford Estate and the services we provide.

When you signed your Tenancy Agreement, you were informed of the start date of your tenancy, which is when you became the legal tenant. From this date you are responsible for the property and for payment of rent.

You are responsible for arranging the connection of electricity, gas and water to your home. You should give the gas and electricity companies as much notice as possible of your moving-in date. London Electricity usually require at least three days' notice to connect your supply.

- LONDON ELECTRICITY 0800 096 9000
- BRITISH GAS 0845 955 5510
- THAMES WATER 0845 200888

Paying your rent

When you move into your property, Southwark Council will issue you with a letter with instruction on how to make payment towards your rent.

Rent must be paid in advance and your account should always remain in credit. Payment via direct debit is the best way of ensuring your rent is always up to date. You can set up a direct debit by calling these number:

- 020 7525 5984 / 020 7525 1495 / 020 7525 1318

LEASEHOLDERS

Paying your service charges

Southwark Borough Council will send you your service charges bill each year. The Council recommends payment through standing orders.

- **Payment line: 0845 600 0611**
- **Pay Online: <http://www.southwark.gov.uk/make-a-payment>**

How do I report a repair to the TMO ?

Repairs can be reported either by telephoning, or by visiting the office during office hours of 9am to 5pm from Monday to Friday. All repair requests will be logged and an initial inspection will take place to determine the nature of work, likely cost and responsibility, i.e., whether it is rechargeable to the tenant/leaseholder or the Council.

Southwark Borough Council's repair time scales provide a minimum standard for the TMO. Repair requests are logged and dealt with as shown below.

How do I report a repair to the Council ?

Repairs can be reported either by:

- telephoning 020 7525 5000
- Online: <https://www.southwark.gov.uk/mysouthwa>

When contacting the Council, please ensure that you state your address, contact numbers and take note of job Ref.

How do I report an Emergency Repairs?

An emergency repair is when there's immediate danger to you or the structure of the building. In an emergency we'll make the situation safe; we may need to return another day to complete the full repair. All emergency repairs need to be reported by phone by calling 020 7525 2600 or 020 7525 5000.

Other useful numbers

- If you have a gas / carbon monoxide leak, call the National grid 0800 111 999.
- If you have lost your gas or electricity supply, you should contact your individual supplier to determine if the issue with your meter or account.
- If you are experiencing a power cut in your area, call UK Power networks 0800 316 3105.
- If you have no drinking water in your area, call Thames water 0800 714 614.

Tips and Advice

WHAT TO DO IF MY ELECTRICITY GOES OFF | If only your home is affected, check the main fuse box to see whether the trip switch has turned your supply off. Modern fuse boxes have a tripping mechanism instead of 'blowing' a fuse it automatically switches off. If you cannot find the cause of the problem call D'Eynsford office or Southwark Council if it is out of hours.

STOP COCK | Know where your mains stopcock is for turning water off in an emergency. It is usually in the bathroom or the kitchen. This should be the first thing you do in the event of water flooding. Contact the Estate Office if you are unsure where this is.

BLOCKAGES AND BLOCKED DRAINS | Blocked drains can be a nuisance, but if caught and dealt with early on they are relatively easy to fix and you might be able to avoid more serious leaks, overflows or electrical damage which can sometimes occur. There are various things you can do at home to prevent blockages such as:

- Run hot water through the sink after each use. Hot water keeps oils in food products running down the drain, rather than building up on the interior surface of pipes, which can make drains sluggish and lead to clogs.
- Throw a handful of baking soda into the drain and follow it with hot water. Baking soda is a terrific cleaning agent, and it's also great for absorbing foul odours and leaving your drain pipes smelling like a rose. Okay, maybe not like a rose, but a lot better than they otherwise would.
- Pour 1 cup of vinegar down the drain and let it sit for 30 minutes; then chase it down with very hot water. Vinegar is a wonder cleaner. It contains acetic acid, which acts as an excellent organic solvent in removing organic build-up of crud in pipes.
- Save cooking grease in an old coffee can or cardboard milk container. Then dispose of it in the trash.
- Throw coffee grounds away in the garbage or add them to your mulch pile.
- Use a screen or drain-grate to cover the drain's opening and minimize problems with hair and soap scum. Stop by your local plumbing-supply store to study the choices appropriate for your particular fixture. Take along a picture of the drain system to better explain your needs. Most filters and screens can be simply laid in place.

Please inform your neighbours when you are planning to do any DIY. Respect your neighbours and avoid DIY at unsocial hours and on Saturday afternoons and Sundays.

Leaseholders Responsibilities

If you are a leaseholder and the TMO to do repairs within your property, you will be charged in the same way as if you were using an outside contractor.

The service charges you pay for cleaning, caretaking and grounds maintenance are calculated by the Council, who will send the service charge bill to you in the normal way.

Leaseholders' Tenants Responsibilities (Private Tenants)

Leaseholders who are subletting their property are responsible for informing their tenants about the TMO's rules and showing them the facilities. Leaseholders or their tenants should contact the Estate Office to have their details registered in the database of residents. Please note that any nuisance caused by sub tenants will not be tolerated and will be dealt directly with the leaseholder and Southwark Council. Nuisance such and loud noise, anti-social behaviour, harassment is in breach of the lease agreement and the TMO will be doing everything with the legal frame work to make sure the matter is addressed. It is recommended that the leaseholders or sub-tenant should contact the TMO's office to get their details registered in the residents database-in an event such as leak; we may need to contact you immediately

Elderly and disabled tenants

If you are an elderly or disabled tenant reporting a repair, please let us know, as in certain circumstances priority will be given. Elderly or disabled residents who have no-one else to help them can contact the Estate Office for help to carry out small jobs in exceptional circumstances.

Tenant exchanges/transfers

These are the responsibility of the Council. If you are interested in putting your name forward, please contact the Council's on 020 7525 5000.

Rubbish

Residents are responsible for ensuring their rubbish is disposed of only in the rubbish rooms and paladin bins provided.

Do not leave rubbish bags in the corridors, on the stairwells or next to the bin chambers. If you are physically challenged and cannot use the chutes, please contact the Estate Office so special arrangements can be made.

Recycling

Recycling bins are provided in all blocks for recycling a range of glass, metal, paper, and plastic items. If you are unsure of what can be recycled, please contact the Estate Office.

If a recycling load contains non-recyclable items, the Council is charged twice, to sort it and then to dispose of it as rubbish.

Bulk Refuse

If you have any bulky items that you need help disposing of, please contact the Council on 020 7525 5000 to arrange for collection. Do not leave any items of rubbish around the Estate, as it is a fire hazard and a danger to children. Dumping rubbish is a breach of your tenancy conditions/lease agreement.

No Fly tipping

As it is a health hazard and a fire risk, the TMO will be taking a zero tolerance approach to fly tipping. If anybody is caught fly tipping then we will work with external agencies and police to penalise those responsible.

Please note that it is considered a criminal offence under the Environmental Act 1990 to illegally deposit anything in a public area. If caught, the perpetrator could be handed with an **UNLIMITED FINE OR PRISON SENTENCE.**

Did you know that in the last 12 months, we have reported over several cases to the authorities where legal action/prosecution were taken. The TMO work very closely with the police to deal with fly tipping cases within the estate.

If you have any information about residents dumping rubbish or illegally fly tipping then you can contact our office on 020 7525 0745 or deynsford@gmail.com. **All information will be treated confidentiality.**

Parking

Please be aware that vehicle ticketing is in operation on the Estate. If you have a vehicle and need to apply for an Estate parking permit.

**How to apply for a parking permit**

There are parking available in the estate however you do require a parking permit. To obtain parking permit, you need to contact Southwark Council.

Follow this link: <http://www.southwark.gov.uk/parking/parking-permits>

Please note that the TMO do not issue parking permits or have any temporary permits.

Grassed areas, dogs, and play areas

The staff do their best to keep grassed areas looking good. You can help by not littering these areas or allowing dogs to foul them. Dog fouling is not only unpleasant but also dangerous to the public's health, particularly for young children as it can cause serious illnesses.

Contact Dog Control Services at 020 7525 5777 if you see dog fouling taking place.

Play Areas

The play areas have been created to encourage your small children to play outdoors under your supervision. Please be mindful of the residents who live next to the play areas, and ensure your children keep noise down to a reasonable level. Ball games are not permitted on the Estate Grounds, but children may wish to take advantage of the football courts in the estate.

How to apply for a garage

There are garages available to rent in the estate. Southwark Council manages the rental of garages. To apply for one, you will need to contact Southwark Council directly.

Follow this link: <https://www.southwark.gov.uk/housing/garages>

Graffiti and vandalism

To keep the Estate a clean and welcoming environment for us all to live in, we encourage all residents to work with us and report all graffiti and vandalism to the staff. Removal of racist or offensive graffiti is a high priority, and it will be cleaned off within 24 hours. The Council and the TMO will take legal action against any person who damages the estate. Please help us to make D'Eynsford Estate the home we all want it to be.

Anti-social behaviour, nuisance, racial or other forms of harassment

D'Eynsford Tenant Management Organisation does not tolerate any anti-social behaviour on the Estate. As the tenant or leaseholder, you are responsible for the behaviour of every person (including children and pets) living in or visiting the property. Examples of anti-social behaviour include but are not limited to:

1. Using abusive or insulting words or behaviour
2. Using or threatening to use violence
3. Vandalism of council property
4. Offensive drunkenness
5. Noise or fouling from pets
6. Loud music
7. Rubbish dumping (FLY Tipping)
8. Persistent arguing and door slamming
9. Speeding and dangerous riding of scooters/mopeds

Excessive noise is a nuisance. Don't inflict your style of music on your neighbours; keep it to yourself. When you have a party, please inform (or invite!) your neighbours and be mindful that they might need to rest and have a quiet night.

Repair and Maintenance

Responsibility for Repair and Maintenance of the Estate is divided between Southwark Borough Council and D'Eynsford TMO.

The TMO is responsible for:

CLEANING AND CARETAKING

- Cleaning communal staircases, handrails, banisters, landings, doors, floors, lobbies, lights, light fittings, walls, and windows located in internal stairs and landings.
- Cleaning and removing rubbish from bin chambers.
- Clearing litter from all common parts of the estate and arranging for removal of bulky rubbish (on request).
- General upkeep of the roof access and roof security.
- General upkeep of the common grounds and gardens; cutting communal grassed areas and maintaining flower beds and shrubs.
- Clearing play areas and play equipment, especially of glass.
- Weed control, sweeping, snow and leaf clearing and salting of non-adopted roads (including drainage gullies) and footpaths.
- Maintaining communal bulkhead lighting, non-adopted roads and footpaths, including the replacement of light bulbs but excluding pole fittings.
- Removing graffiti in all common areas as much as possible.

The successful care and upkeep of the estate requires an effective partnership between the residents and D'Eynsford Tenant Management Organisation .

The TMO cleans all shared areas, but residents are responsible for ensuring that their household members and visitors do not discard litter or damage any part of the property or estate.
