Community room update

The TMO has secured funding
from Southwark Council to repair
the community room roof.
Renovations had been delayed by
leaks but work on the room can
now begin.

We have also put in a funding bid
to furnish and kit out the room. We
will hear if we have been
successful by the end of January.

Share your ideas

In the meantime, we are setting up
a project group to plan the look
and layout of the space. If you
have ideas to share, contact Tasha
to get involved, tel: 07960 072036.
